**Mr Ducan Lewis**

The Director-General  
ASIO Central Office  
GPO Box 2176  
CANBERRA ACT 2601

Attention: This Mail Private – Confidential and For  
The Director only to read.

Dear Director

Greetings, Joy, Peace, Happiness and  
Good Health to you and yours I hope this letter will  
greet you with.

I hereby challenge you to a game of cards, if you  
win, then I will go away and be a good little slave to  
The New World Order, which ASIO and the  
politicians both sides of Parliament have sold  
Australia and the Australian people out to the  
Bankers and Corporations.

But if I win the game of cards, then my reward I ask  
is ASIO goes after some of these corrupt politicians  
both sides of politics and prosecute them for  
“Treason” for selling the Australian people and  
Australia out to the New World Order and the  
Bankers & Corporations and the Rothchild Family  
who control all the World Central Banks, money  
supply.

Before you throw this letter into the garbage bin, may I remind you of the said ASIO Act which as an employee of ASIO you have sworn an Oath to uphold and defend?

## **Politically Motivated Violence**

2.2 "Politically Motivated Violence" means:

(a) Acts or threats of violence or unlawful harm that are intended or likely to achieve a political objective, whether in Australia or elsewhere, including acts or threats carried on for the purpose of influencing the policy or acts of a government, whether in Australia or elsewhere

(b) Acts that -

(i) Involve violence or are intended or are likely to involve or lead to violence (whether by the persons who carry on those acts or by other persons); and

(ii) Are directed to overthrowing or destroying, or assisting in the overthrow or destruction of, the government or the constitutional system of government of the Commonwealth or of a State or Territory

The ASIO Act or Law I claim these people broke

(ii) Are directed to overthrowing or destroying, or assisting in the overthrow or destruction of, the government or the constitutional system of government of the Commonwealth or of a State or Territory

More will be revealed after our game of cards and I win, so you can go after these people and prosecute them before the Australian people.

- The Game Of Cards I hereby challenge you to is “The Illumanti Card Game” put out in the 1980’s

\*\*\*\*\* Your playing for the corrupt sell out politicians, Bankers, Corporations and the Rothchild Family.

\*\*\*\*\* I am playing for Australia, the Australian People and the Human Race.

May the best man win agreed?

If so now lets take a walk step up the ladder onto The World Chess Board Game for control of the planet and human race.

- The New World Order, you who your playing for claim to control the present, I agree you control the Worlds Resources, Central Banks and Media, for which we the human race concede defeat.
- Because you control the present, you also control the past, which we concede and you have been going back into history and wiping history and re- writing it to suit your agenda of the present and for the future of what the human race will be taught and to our kids.

- But here is the BUT, You are also claiming to control the future for all of us, And World War 111 hasn't even been started and won, and your claiming you control the future?

On behalf of Australia, The Australian people and the Human race I hereby **"Trump"** your Future Card with **"The Eternity Card"** that is the Top Card in the pack which makes me the winner for us.

The Future Card only covers our short time on earth as human beings.

But **"The Eternity Card"** not only covers our time on earth as human beings, but our time after death when we die, The Eternity Card goes on and on forever.

Question Mr Director as I claim my prize of winning the game with the top card in the pack.

- Do the politicians control and own us after death

NO

- Does the Greedy Bankers and Corporations control and own us after death

NO

- Does the Greedy Rothchild Family control and own us after death

NO

Now if I am not mistaken by me claiming the Top Trump Card in the pack, that puts me on behalf of Australia, All Australians and the Human race at the Top of the Pyramid and puts us back in control of the World and Human Race.

Which means I hereby claim back ASIO which politicians have corrupted and direct ASIO to now start working for “WE The People” of which your one of the We The People.

But at the end of the day, the choice is yours and your fellow staff members, we haven't got much time to turn this all about and start correcting the past and put a stop to the future what is planned, with that said I will now give you more information to the above to work with.

\*\*\*\*\* In 1983 those two “Treasonous” blokes Bob Hawke and Paul Keating went outside of whole Constitutional System of Government, and registered Australia as a Corporation on the American Securities and Exchange Commission with the Deeds of Trust handed over to The Federal Reserve Bank as best as we can find out.

\*\*\*\*\* They also changed the Whole Patent System, without consent from the Queen.

\*\*\*\*\* They also registered all State Police Forces ABN with American Securities and Exchange Commission

There is the first nail in Australia's coffin at selling out Australia

Then Under Rudd and Gillard they went out and got us in Debt to The Reserve Bank in America for \$350 Billion dollars which will take 30 years to repay, and if we default on payment the Reserve Bank will foreclose with the Deed Of Trust they hold over Australia, which Bob Hawke & Paul Keating signed away gave them, there is our second nail in our coffin.

Tony Abbott and his Government is now, in power they are negotiating a TPP Treaty which is all being done in secret, even after they sign it nobody is allowed for 3 years to know whats in that agreement, virtually they are signing Governance over to the Corporations, which means the Corporations will control our Government, there is the third and final nail in Australia's coffin

Its all over Red Rover as far as Australia is concerned the Corporations and Bankers will own us lock stock and barrel, I want that to sink in for a minute.

In ending Mr Director your our Obie One, you're the only person in power and with the power to turn this all about and I respectfully ask you and ASIO to start investigations and prosecutions against some of these politicians mentioned within.

Yours truly  
Lloyd T Vance
